## 1.0 Introduction

### 1.1 Purpose of this Document

This is the test report. The purpose of this document is to outline and describe the series of tests that have been applied thoroughly to our User application (Tasker CLI), our web application (TaskerMan), and MySQL database (TaskerSRV).

### 1.2 Scope

This document references to the tests produced on the test specification of the final system. It specifies if the test passed or failed.

### 1.3 Objectives

The main objective of this document is to show the client which tests have passed and failed, to show the current state of the Tasker project.
