- Robert Mouncer
- Daniel Thompson
- Max Limbu
- Emil Ramsdal

Additional persons present:

Laurence Tyler

Members Absent:

Greg Sharpe

Matters arising:

1. PHP testing – Ask Annie (web dev) about testing in PHP. ACTION: Daniel Thompson.

2. Coders need to use the issue checker on Github. Simply add issues on site and when they are fixed change the state of the issue to be fixed.

3. Blog entry needs to be weekly – Laurence mentioned Greg and Archie were falling behind.

New Business:

1. Review meeting Monday, everyone needs to be there to review their relevant sections.

2. Laurence asked how the code was coming along. We told him that we were a fair way into it, and its going very well.

3. Repository needs to be checked frequently by QA to make sure that it is formatted correctly.

AOB (Any Other Business):

1. Discussion on how the design deliverable went, and how we felt about it. We thought everything went well.

2. Discussion on decision for using Google docs, and what we are using it for.

Meeting adjourned at 1:30PM by Project Manager Laurence Tyler
